This course leads to an understanding of the spiritual foundation of true abundance and creating a life in greater harmony with spiritual law. It is:

- ♦ A guide to developing a higher level of spiritual awareness and of God's Presence.
- ♦ Specifically designed for those ready and willing to take the very large leap in faith necessary to transform a consciousness of lack and limitation into a consciousness of true unlimited abundance.
- ♦ A door to many new possibilities that will deepen your relationship with Spirit by making the connection between giving and receiving.
- ♦ About far more than simply getting more money or material things; it will help students identify and change limited beliefs about abundance, happiness, and success.
